

Dear Gordon,

Thank you so much for coming to my aide and fixing my bathroom. After the plumber fixed the leak you came out to my house and looked at the mess that had to be fixed in the bathroom and under the house. You were very professional, friendly and you said that you would get me a quote as soon as you could. Imagine my surprise.....when you got back to me the next day with a quote. You not only worked for me but you worked with me. I appreciated how quickly you set up the time to fix my bathroom. Your workers were ,knowledgeable, professional, trustworthy, and just plain and simple.....NICE! You went over and above what needed to be fixed and also fixed other problems that needed to be fixed and did not charge me for the extra service. *I will always recommend your company to everyone I know!*

Thank you again,

Debbie Thul
